

The Ayston, MODEL 515M

Mirror, mirror on the wall ... Becomes the fairest fire of all!

Burley's top of the range Ayston has a dramatic new look with the arrival of a mirrored glass front.

This reflective glass option provides an attractive mirror feature when the fire is switched off.

By simply touching the glass the mirror transforms into an impressive contemporary electric fire.

- Operate via touch sensitive glass
- Remote control handset
- 2kW heater with thermostat
- Ioniser
- Fuel bed selection
